Measurement is the assignment of a number  
to a characteristic of an object or event,  
which can be compared with other objects or  
events. The scope and application of  
measurement are dependent on the context  
and discipline., This chapter describes  
techniques for measuring non-motorized  
travel activity and demand, evaluating  
non-motorized conditions, and incorporating  
non-motorized travel into transport models.,
